FLIP SIDE

A PLACE TO BELONG - A SPACE TO REFLECT - A TIME TO ENGAGE

As people we live within many stories and our identity is shaped primarily by the stories that we hear and tell. God's story reminds us that our lives are not possessions to be defended, but gifts to be shared.

Flip Side isn't another service to be consumed, it's an opportunity to pause and ponder what it means to participate in God's story. The evening is informal combining prayer, biblical reflection and discussion.
